

Pesticide Application Notification

Dear Parent or Guardian,

The Healthy Schools Act of 2000 was signed into law in September 2000 and requires that all schools provide parents or guardians of students with annual written notification of expected pesticide use on school sites. The notification will identify the active ingredient or ingredients in each pesticide product and will include the Internet address (<http://www.cdpr.ca.gov>) for further information on pesticides and their alternatives.

People listed on this registry will be notified at least 72 hours before pesticides are applied. If you would like to be notified every time we apply a pesticide, please complete and return the form below and mail it to:

**Christ Lutheran Church and School
28850 S. Western Ave.
Rancho Palos Verdes, Ca 90275**

If you have any questions, please contact 310-831-8008

Sincerely,

Deanna Russo
